Welcome, U.S. Nonimmigrant Visa Applicants

You are at the official nonimmigrant (temporary) visa information and appointment website for the U.S. Embassy in Peru.

Important Change to Requirement Regarding DS-160 Numbers and Visa Appointment Scheduling

Starting May 2, 2023, non-immigrant visa applicants will be able to make a one-time change to the DS-160 number/Application ID associated with their visa appointment in the scheduling system.

Applicants are reminded that the number/Application ID on their DS-160 confirmation page MUST match the DS-160 number/Application ID used to schedule their appointment. As such, applicants are strongly encouraged to complete and submit their DS-160s via the CEAC system BEFORE scheduling their appointment via the scheduling system.

Starting May 8, 2023, applicants who arrive at the Embassy with DS-160 confirmation pages that do not match the DS-160 number in the appointment system will be turned away. There will be no exceptions.

What to do?

- If you scheduled an appointment before submitting your completed DS-160 application, make sure to complete the same application you used to create your account in the appointment scheduling system.
- If you need to update the application number on your account because your circumstances or submitted information have changed considerably since you first completed your application, sign into your account in the appointment scheduling site at <https://ais.usvisa-info.com/en-pe/niv> (<https://ais.usvisa-info.com/en-pe/niv>) and make the change.
- If you changed the DS-160 application number in your account, make sure to bring the DS-160 confirmation page with that same number to your appointment. If the application number in your account does not match the one printed on the confirmation page you present at the interview, you will not be allowed to interview.
