

## Applicant Service Center (ASC) Information

### Overview

Most applicants for U.S. visas will be required to have an appointment at an Applicant Service Center (ASC) prior to their appointment at the Consular Section. Biometric information including fingerprints and digital photographs will be collected at the Applicant Service Center (ASC).

Applicants who are required to appear in person at the ASC and the Consular Section must schedule the ASC appointment at least one day before the Consular interview. Applicants can schedule both appointments online using this website or through the [call center](#).

**Please be advised:** Security measures at Service Centers that assist U.S. visa applicants have changed due to the COVID-19 pandemic. Service Centers follow local and state laws, regulations, and civil protection guidance regarding use of personal protective equipment, handwashing, facility sanitization, etc. Applicants should check local regulations and plan their Service Center visit accordingly.

**By entering the Service Center, you agree to the following:**

1. You are not experiencing any flu-like symptoms.
2. You do not have a fever. We recommend that you take your temperature before you visit the Service Center.
3. You have not been in close contact in the last 14 days with anyone who, to the best of your knowledge, is being evaluated for, or has been diagnosed with, COVID-19.
4. You will wear a face mask at all times when you are in the Service Center. You will only remove your mask when instructed to do so during biometric collection (where applicable).
5. You will maintain the indicated amount of distance from other applicants and adhere to all distancing signs, floor markings, and seating restrictions.
6. You will make use of the available hand washing / sanitizing facilities.
7. You will follow the instructions of the Service Center staff members as they direct you through the facility.
