Welcome, U.S. Nonimmigrant Visa Applicants

You are at the official nonimmigrant (temporary) visa information and appointment website for the U.S. Embassy in The Democratic Republic of the Congo.

Important information about your upcoming visa appointment

Applicants must fill out a DS-160 online visa application form completely and correctly at <https://ceac.state.gov/genniv/> (<https://ceac.state.gov/genniv/>), before scheduling a visa appointment.

Starting on May 2, 2023, applicants with scheduled appointments who entered an incomplete or fictitious DS-160 confirmation number in the appointment system should update the DS-160 barcode number before the appointment. The DS-160 barcode number can now be updated up to one time without having to cancel the existing appointment.

If you bring a DS-160 visa application form to your interview that is different from the DS-160 confirmation number entered in the appointment system, your application may not be accepted and applicants will have to schedule a new appointment based on regular appointment availability.

Steps to follow to update the DS-160 confirmation number:

1. Log into your account at <https://ais.usvisa-info.com> (<https://ais.usvisa-info.com>).
2. In the "Applicant Summary Page", click on the "gear" icon and select "Edit"
3. Update the "DS-160 Number" field with the complete and correct confirmation number
4. Click "Save"
5. Attend your appointment on the scheduled date and time
