# Welcome, U.S. Nonimmigrant Visa Applicants

You are at the official nonimmigrant (temporary) visa information and appointment website for the U.S. Embassy in Kenya.

## Important information about your upcoming visa appointment

Applicants must fill out a DS-160 online visa application form completely and correctly at <https://ceac.state.gov/genniv/> (<https://ceac.state.gov/genniv/>), before scheduling a visa appointment.

Starting on May 2, 2023, applicants with scheduled appointments who entered an incomplete or fictitious DS-160 confirmation number in the appointment system should update the DS-160 barcode number before the appointment. The DS-160 barcode number can now be updated up to one time without having to cancel the existing appointment.

If you bring a DS-160 visa application form to your interview that is different from the DS-160 confirmation number entered in the appointment system, your application may not be accepted and applicants will have to schedule a new appointment based on regular appointment availability.

Steps to follow to update the DS-160 confirmation number:

1. Log into your account at <https://ais.usvisa-info.com> (<https://ais.usvisa-info.com>).
2. In the "Applicant Summary Page", click on the "gear" icon and select "Edit"
3. Update the "DS-160 Number" field with the complete and correct confirmation number
4. Click "Save"
5. Attend your appointment on the scheduled date and time
